Subject: Price Adjustment-Canadian Market

Dear Valued Customer:

As of **April 11th 2022** many of our brands and companies will be implementing list price adjustments. Guidance based on weighted average pricing in the market for brands and product lines is as follows

- Watts Canada Price List +10%
- Backflow Preventer, Repair Kits, & Service Parts +10%
- Repair Kits & Service Parts +10%
- Aqualock Price List +12%
- Powers Price List +12%
- Dormont Price List +15%
- WaterPex Price List +12%
- Watts Radiant Price List +12%
- Specification Drainage Price List +12%
- Drain-Pro Canada - including access panels. +12%
- Orion Canada Price List +20%
- Blucher Price List +15%
- Pure Water Wholesale +10%

The above is general guidance, individual item changes will vary.

New price lists will be published for individual customers and will replace all prior lists

*All orders for immediate release received by **Friday April 8th 2022**, will receive the former prices. Stocking orders are not to exceed 1 month's average purchases.*

We appreciate and thank you for your business and assure you of our commitment to continue to supply you with quality products at competitive prices. If you have any questions or need further clarification on these changes, please contact your local representative.

Sincerely,

Chris Rock
Director of Sales & Marketing
Watts Water Technologies
