

## Price Increase effective April 4. 2022

### \*CORRECTION NOTICE\*

March.03. 2022

Dear Valued Aalberts Integrated Piping Systems customers,

As a result of continued increases in shipping, labour and material costs, Aalberts Integrated Piping Systems, home of "Apollo" Valves will be implementing a price increase on select product categories effective April 4, 2022.

The general increases are as follows:

- 5% - bronze backflow
- 5% - SS backflow
- 3% - "Apollo" Press fittings
- 3% - "Apollo" PowerPress fittings
- 5% - 2-piece industrial CS/SS and alloy ball valves
- 3% - all other industrial CS/SS and alloy ball valves
- 5% - high performance butterfly valves

Aalberts Integrated Piping Systems Americas, Inc. Full freight allowed terms for Canada are listed below for all incoming orders placed on or after April 4, 2022:

#### **Combined All Aalberts-IPS product family (Excluding Shurjoint)**

**\$4,000**

#### **Shurjoint only product family**

**\$5,000**

#### **Press fittings only (including "Apollo" Press Fittings and "Apollo" Powerpress Fittings)**

**\$4,000**

To ensure that you have the most current and accurate pricing information, our newest "Apollo" Price Lists will be posted to [apollovalves.com](http://apollovalves.com) on or before March 18, 2022. The new price sheets will be available in both .xlsx and .pdf format.

Sincerely,

*Ebony Marconato*
