Price Increase effective July 11th, 2022

June 10, 2022

Dear valued Aalberts integrated piping systems customer,

As a result of continued increases in shipping, labor and material costs, Aalberts integrated piping systems, home of “Apollo” Valves will be implementing a **9% price increase on Shurjoint products effective July 11, 2022**.

Actual increase percentages may vary by product. Please refer to the applicable Product Price Lists to ensure you have the most current and accurate pricing information. Our newest Price Lists will be available for download from apollovalves.com by Friday, July 1, 2022. The new price sheets will be available in both .xlsx and .pdf format.

All orders received prior to the increase must be scheduled for immediate release and not exceed one-month’s typical historical usage. Orders placed with delivery requested for future dates beyond July 11, 2022, will be subject to pricing at time of shipment.

Orders for product placed June 10, 2022, to July 10, 2022, for not in stock items and with lead times in excess of 30 days could be subject to pricing at time of shipment. Purchaser will be notified within 5 business days of P.O. placement if a price change will apply.

Kind regards,

Don Russell
