Date: April 28, 2025

To: Our AFP Valued Customers

Subject: NIBCO products Price Increase

Access Flow Products is continually committed to providing the highest quality and best-in-class delivery to our customers. However, market-related cost increases and the evolving tariff environment has forced NIBCO to increase their prices on the products listed below. So, effective immediately and until further notice, the AFP NIBCO price lists are withdrawn, and these products will be priced on application (POA).

Prices on orders received prior to the increase will be honoured if stock is available at an AFP location. Non-stock items will be subject to the new price, and you will have the choice of accepting or canceling the affected order-lines.

Please contact our Inside Sales Department for a price quotation at east@accessflowproducts.com (from ON to NL), west@accessflowproducts.com (from MB to BC); or call us at 1-800-268-3509.

NIBCO Commercial & Industrial Bronze Ball Valves	C-CBV-0422
